Patient Informed Consent Agreement

I agree to receive acupuncture treatments and related therapies by Chad Houfek L.Ac and Nilsa Compton L.Ac. I understand that the practitioners at Charleston Community Acupuncture listed on this form are not Medical Doctors and therefore do not give western diagnosis. Treatment methods may include, but are not limited to: Acupuncture, Electrostimulation (leads attached to acupuncture needles), Cupping therapy, Herbal Medicine, Nutritional Supplements, Heat and Moxibustion therapy, Physiotherapy exercises and Lifestyle, Bodywork and Nutrition Counseling.

I have been informed that Acupuncture is very safe, but it may have side effects, including bruising, numbness or tingling near the needling sites that may last a few days, and in rare cases dizziness or fainting. Unusual risks of acupuncture include spontaneous miscarriage, nerve damage, and organ puncture. Infection is also a possible risk. I understand that Charleston Community Acupuncture clinic uses only sterile disposable single-use needles, and maintains a clean and safe environment. Burns and scarring are potential risks of heat or Moxibustion therapy. Bruising is a common side effect of Cupping.

The Herbs and Nutritional Supplements used in Traditional Chinese Medicine are considered safe but may have potential side effects. I understand that some herbs may be toxic at large doses, and some herbs may be inappropriate to take during pregnancy. I will notify Chad Houfek L.Ac. or Nilsa Compton L.Ac., immediately if I notice any unanticipated or unpleasant side effects associated with the consumption of herbal medicine or nutritional supplements.

I do not expect Chad Houfek, L.Ac. or Nilsa Compton L.Ac., to be able to anticipate and explain all possible risks and complications of treatment, and I wish to rely on them to exercise judgment during the course of treatment to make decisions that are in my best interest, based upon the facts then known. I understand that the clinical and medical staff may review my files but all my records will be kept confidential and can only be released under my personal written consent, or when required by law.

By voluntarily signing below, you are stating that you have read (or have had read to you) and understand Charleston Community Acupuncture's Payment Policy and Patient Informed Consent as well as your rights as a patient and South Carolina's Mandatory Disclosure. You acknowledge that you have been told about the risks and benefits of acupuncture and related therapies and have had an opportunity to ask questions. This form shall cover the entire course of treatment for your present condition and for any future conditions for which you seek treatment at Charleston Community Acupuncture:
